OF

CITIZENS OF BALTIMORE

TO THE HOUSE OF DELEGATES,

RELATIVE TO

THE CITY PASSENGER RAILWAY.

PETITION.

TO THE HONORABLE,

THE GENERAL ASSEMBLY OF MARYLAND:

We, the undersigned, citizens of Baltimore, do hereby certify and declare, that we believe the people of Baltimore are anxious to see our Street Railways under the control and management of our own citizens; and believing, further, that an amount of subscription can be raised without difficulty, to pay for the work already done, at a fair valuation, and to complete the same, we pray the Legislature to appoint Commissioners to open books for subscription to the stock of a company, from the parties named in the bill called "Citizens' Passenger Railway Company," or to name such other commissioners as it in its wisdom may think proper.
